

Legend Springs Elementary School
PTA General Meeting Minutes
September 19, 2017
In Conference Room B (LSES)

2:58 - Meeting called to order by Kim Johnson.

2:59 - Minutes for August 29 meeting presented and approved by Ivette Orona.

3:01 - Reported by Tracy Jennings and Melissa Brennan that approved Standing Rules, Audit, Budget and Taxes have been sent to appropriate State PTA representative by Tracy Jennings and Melissa Brennan.

3:03 - Reported that July, August and September Reconciliation will be next month by Melissa Brennan.

3:05 - Tracy Jennings presented Nurse Jamie's request to PTA for a grant of \$1,300.00 to purchase two new beds for the nurse's clinic/office. Grant discussed and decided that cost is high and unsure if this purchase solely rests on PTA therefor needs further investigation; maybe splitting cost with district and/or school funds and possibly selling old beds; Ivette Orona will look into.

3:13 - Cassie Woolgar requested that a membership promotion incentive be presented to the classes and teachers in order to bring in more members. Otter pop party for the class with the most member and \$25.00 for the top three teachers with the highest membership in their class was approved and will be announced during Flagpole on Friday, October 20 by Ivette Orona.

3:18 - Tracy Jennings suggested that we incorporate a broader staff appreciation/recognition to include custodial, cafeteria, librarian and nurse to celebrate them and express appreciation for all they do. To present them with gift cards and thank you cards on designated recognition days. Kim Johnson will reach out to Jody for a list of all support staff.

3:21 - Tracy Jennings relayed from Jody any information, notices and up-coming events to be included in schools newsletter. Requested that Movie Night (Oct. 27); Barros Pizza (Oct. 12) and Chili's (Sept. 26) fundraisers; new PTA board member picture and blurb (due Sept. 29); and membership information be included

3:24- Movie Night: Micki Seguin reported that the current quote from AZ Bounce for projector, screen and sound system to be used to host Movie Night outside on October 27 would be \$710.00. This quote thought to be high considering it is a free night for families which will be a large expense to the PTA. Suggestions of reaching out to some of our LSES families to try and get equipment needed donated - Kim Johnson and Alex Cooper looking into. Alex Cooper reported that baskets to be raffled off during Movie Night are coming together. Due to the demand for popcorn Micki Seguin is looking into purchasing pre-popped popcorn to help with the volume that is expected. Suggested that we also sell snacks, candy and soda for \$1.00. Ivette Orona following up with Goodwill to inquire on price per pound of donations, window of time truck will be available and if they have October 27th available.

3:31 Meeting adjourned by Kim Johnson
